AN ODE TO A 1921 DOUBLE EAGLE

I'd like to own the '21
But find it's not so easy
The owner's strong - the owner's wrong
And just a wee bit "fresy"

The coin is grand
The figure's clear
The breasts are high
But the price is "dear"

If I could woo this "21"
And become it's proud possessor
I'd send a check - a tiny sum
And then start to dress her

So Mr. Johnson please have heart
And price this coin more fairly
And if you do - I'll buy it too
And feel we've both dealt fairly

J.F. Bell

I know it would be lots of fun
For a Double Eagle of '21
To appraise of it's own volition
It's value in superb condition

Dates are scarce in time of war
And are often worth wishing for
Liberty said she had a date
Which she could hardly over-rate
Though others like her look the same
She finds their dates are lacking fame

The Eagle then bespoke his blight
Of having to stay in continual flight
Without a chance to see the date
Who Liberty says is really great

They say there were fewer of their kind
Than most people have in mind
That it would hurt their noble pride
To leave their happy owner's side
So they would deem themselves of no account
If they were sold for a lesser amount

Dear Mr. Newman:

Thanks so much. We think it is very clever.
Here is another copy after Mr. J. added the
name , etc.

Sincerely yours,

Josephine Luby

Dear Mr. Newman:

We herewith enclose check for your interest in the Lincoln and Indian Head Cents. According to your figures, this is \$510.82.

The express on these shipments was heavy. The 1/2 Dollar express was \$2.35 going and we also had to pay express on shipping the entire lot of cents back to Raymond, unopened, as you remember. The express on this was \$6.33, or a total of \$8.68. All of this could be considered joint as my Philippine coins were not sent in the same consignment with the 1/2 dollars.

Deducting \$4.34 from your \$510.82 leaves a balance of \$506.48 for which check is enclosed herewith.

Sincerely yours,

Mr. Eric P. Newman
6450 Cecil Avenue
St. Louis, Missouri

Dear Mr. Newman:

We herewith make returns on the following sales for which we enclose check for \$1263.36.

As I told you over the telephone yesterday, Mr. Bell in his wisdom has seen fit to return the following items which are deducted from this total. In his list which we copy - he already deducted the 10% he was allowed so the \$141.30 on the Gold dollars and 1/4 Eagles is net.

| | | |
|------|-------------|-----------------|
| 1881 | \$2.50 Unc. | \$27.00 |
| 1880 | " " | 18.00 |
| 1856 | \$1.00 | 4.05 |
| 1866 | " | 22.50 |
| 1867 | " | 15.75 |
| 1869 | " | 18.00 |
| 1870 | " | 15.75 |
| 1876 | " | 11.25 |
| 1879 | " | 9.00 |
| | | <u>\$141.30</u> |

We are also deducting \$2.49 for exchange on the Walton check as at this late date, we received a charge from the Mississippi Valley Trust Company today, a statement on the Walton check charging exchange at the rate of \$1.00 per \$1000.00 with a statement that checks on Northwestern Bank, Boone, N.C., are not collectible at par through a Federal Reserve Bank - your portion of this is \$2.49.

All of these things are a bit complicated but now everything is straightened up as far as Bell is concerned except that he has another large invoice, mostly S Mints, sent him on Monday.

I sold the lot of Mississippi Rebels for \$100.00. The man I expected to buy it did not buy it and I have had no luck getting rid of them and thought it was a good ridance. On the whole, yesterday's sales to Mr. Walton were worthwhile as we did not sell anything I especially wanted to keep.

Mr. Eric S. Newman
6450 Cecil Avenue
St. Louis, Missouri

Dear Mr. Newman:

A lot of returns came in this morning. I am also reporting on an invoice of Elders which has been out quite awhile. I never knew what he is going to buy from my invoice because he keeps returning things although this has been out long enough now that I imagine he has returned everything he is going to return from this lot although I would not suggest it but I want to get it out of the way. There still remains an invoice of about \$1500.00 worth of double ended which this new war, Knicker in New York, resitted for the subject to some provider that there is no assurance that they will stick so think we had better delay on that until I get his definite decision as it will probably need considerable extra bookkeeping.

IN ADVANCE

We herewith report on sales made to date:

The Double Eagles are all paid for but apparently with the proviso that if the gentleman does not like one or two of them, they can be sent back shortly. As a matter of fact, some of them are a pretty lousy lot - that is the only way to express it. Some of the uncirculated pieces were covered with nicks and one or two proofs I am afraid Brother Stoddard had had.

Sincerely yours,

B. G. Johnson

Apr 12 -

Dear Eric:-

Your letter to hand but unfortunately I can't do a thing about this Real Estate. Am not even to going to be able to buy a couple of suits and do a bit of shopping for her is my routine. Catch him at 8 A.M. get home at 5.40 pm. Monday my hair was two hours late & I was tied up trying to get a room (which I didn't get until 7.30 pm.) so was barely able to get to her. Branded him to go to Milwaukee - now have to dress & go to dinner with the Brand family - It is an awful pain to be in but no help for it, Am tired but feel O.K. Now back about your work -

But he shows the letter to her Brand who knows Chicago & Chicago Real Estate. Eric's book and cover

you later. Taxes here
are hellish & apparently
Kelley is cleaning up largely
as mayor & the town
is just about broke
again - Mrs. Brand
mentioned Caswell today
the corruption of the present
administration here is worse
than any time in its
past. We shall see if
there is something.

Regards to you all

Mr. Eric P. Newman,
St. Louis, Mo.

Dear Mr. Newman:-

Coins have been sold as follows:

| | | |
|----------------------|----------|-----------------|
| Jackson 7/11 | \$163.50 | |
| Express | .65 | \$162.85 |
| Windsor 7/11 | 166.50 | |
| Express | .65 | 165.85 |
| New Netherlands 7/13 | 609.80 | |
| Express | 1.60 | 608.20 |
| | | <u>\$336.70</u> |

Mr. James Kelly writes me that the price I made him on the 1877 three dollar coin was \$160. and not \$170. Two pieces were examined at the same time, one at \$160.; the other \$170. and he says he took the \$160. one which may be correct. In any event I allowed him the \$160.

This leaves a balance of \$463.35 due you which is enclosed herewith.

Very truly yours,

Mr. Eric F. Newman,
St. Louis, Mo.

Dear Mr. Newman:-

I presume that Mr. Elder has returned all he intends to return from the following invoices but I would not guarantee it. In any event for the past week, ever since I ventured to remind him that he was falling far behind with his account, I have been favored with an insulting or abusive letter in practically every mail assuring me that HE is not money-mad. It is queer that it is always the fellow who tries to collect money due him who is money-mad while the gentleman who owes the money and dislikes paying it is always above such sordid considerations.

Mr. B. G. Johnson

Dear Mr. Johnson:

The results of almost a year's correspondence with Mr. Freeman has finally resulted in a sale. He wrote me and asked me for the large Rhode Island bills and some Colonial notes in my personal duplicates and sent me some more of his duplicates. I had no notion he would buy any sizable amount. The result was that I got the equivalent of \$85 each for two Rhode Island joint bills. I think that is a fairly respectable price considering their cost.

I would like to keep the remaining two bills and am therefore enclosing a check for \$170.00. If you want to work it out so that you do not get so much cash and get an interest in the remaining two bills and a few others I had to take in trade I will try to work something out.

I told him I had no desire whatever to part with any of the Rhode Island notes, but would rather have him buy the Chapman collection. That suggestion probably put the deal over.

Incidentally you could turn the Chapman collection matter over in your mind.

Sincerely,

Dear Mr. Johnson:

I sold \$22.85 in Georgia banknotes to W.H. Mathewson, North Charleston, South Carolina and further shipments to him of Georgia notes are in process.

I also sold \$12.50 in Canadian banknotes to Rose Stamp Co in Toronto and suggested that he take the balance of the Canadian notes on approval or consignment if he sells them over his counter.

This makes a total of \$35.35 of which your share is \$17.68 for which amount my check is enclosed.

Dear Mr. Newman:

We herewith rectify the errors you called to our attention and I am very sorry they occurred. Sometimes when I am extremely busy, I do not check these grand totals but simply sign the letter and write a check, figuring that between Miss Luby and you both checking there is no danger of any permanent errors. Of course, I hate this very much but when one person has everything on his hands as I do the work is rather overwhelming at times. I would rather have an error against me, however, as I believe it was the last time about some dollars figured in at 50%.

Dear Mr. Newman:

In accordance with our telephone conversation of this morning, there is \$5.00 due you on the Kelly report of September 1st which should have been \$175.00 and not \$165.00. On the other hand, Mr. Jorgensen was allowed 10% discount on the goods he bought which we failed to deduct. There was \$14.10 deducted by him from a \$141.00 remittance of which you owe us \$7.05 and there was \$2.00 deducted by him from a silver dollar he bought of which you owe us 1/3 or 67¢, being \$7.72 all together from which deducting your \$5.00 credit - there is \$2.72 due us which we will deduct from our next report to you. (2011)

We also enclose herewith a copy of our letter of April 27th, the original of which you state you have mislaid.

With best regards,

Sincerely yours,

B. G. Johnson

Dear Mr. Newman:

I would like to clean up everything
before I leave and here is the report to date.

Mr. Boyd wants to look at the Kirtland,
Ohio bills so if you have time before you leave, you
might bring them in and leave them with Miss Luby.

Dear Mr. Newman:

Herewith enclosed carbor copy of a letter of mine to Mehl in answer to a letter received from him of which I also enclose a copy because it is in line with our conversation of the other day. I thought if Mehl should get a fabulous bid on this 1913 Nickel, which could happen in these utterly unpredictable days, it might be a good chance for you to get rid of yours, if you so desire.

With best regards,

Sincerely yours,

Dear Johnson:

Glad to have your note of the 24th inst., and although I am terribly rushed with my forthcoming sale, but I thought you'd be interested to know that so far the 1885 Trade Dollar, as well as the Panama-Pacific 1/2 Dollar in gold, will be sold, as I have received bids for them this morning.

Incidentally, the 1913 Liberty head Nickel is making "quite a hit". You remember I was one of the smart guys who turned it down for \$750.00. From present indications it will bring several times that amount.

Sorry you and Mery are having a cold but hope you will soon be over it.

With best regards,

Sincerely yours,

BMN/MF

Dear Mehl:

Thanks for your interesting letter of October 26th. You know I was always surprised when a great exponent and admirer of the 1913 Liberty Head Nickel declined to purchase one although I admit there was some difference between the price I was asking and the price offered by the aforesaid gentlemen, the difference, I believe, being \$700.00. However, I was right and he was wrong it seems.

If you get an exceptionally good bid, it might be possible to dig up another specimen of this great rarity.

We regret that the other Panama-Pacific 1/2 Dollar in gold was sold this Spring. Is there anything else at present?

By the way, if it so happens that the auction account could not be settled until after the first of the year, it would not grieve me to any extent whatever.

Mary is better but I still have a splendid cold. Digging around in the vaults and shipping on a lot of fresh stock is what did it.

With best regards,

Sincerely yours,

EGJ:JL

THE OMITTED PARAGRAPH IN THE DESCRIPTION
OF THE 1913 LIBERTY HEAD NICKEL IN THE
COMING MEHL SALE OF THE OLSEN COLLECTION

In making the 1913 Liberty Head Nickel famous by the millions I put into advertising I encouraged people to look for this coin knowing that it could not be found. As an example of my knowledge of coin values and my willingness to pay top prices for coins at all times my offer of the sum of \$50 in cash for the 1913 Liberty Head nickel is an example, but I now feel that the coin has a "nominal" value of \$1000. Perhaps I can be excused for all of the above because I had never seen the coin before and never knew how many were struck or if any actually were struck. As far as making the statement that the specimen for sale in my auction is the finest known specimen I make that assertion only to get more money for my consignee and with the knowledge that the only people who might know to the contrary will not bid on the coin. I prefer that all bidders on this coin state their age and physical condition because I intend to sell it to a sick and infirm collector whose estate will give me a chance to resell it for them. I look forward to the day when I shall be selected in preference to my dear friend, Mr. Johnson, in the handling of large collections so that I may make assertions that make me and my sales the greatest, fairest, finest, and noblest standards in numismatics and give me the opportunity to whitewash the pedigrees of coins where unavoidable inaccuracies occasionally accrued.

Dear Mr. Johnson:

Mr. J. H. Mathewson has now gone through the Georgia notes and I have received checks from him for \$18.00 on Nov. 1 and \$17.00 on Nov. 13. The totals on his remittances are not quite accurate and his checks are dated in October, but the most important thing is that he now wants railroad, bridge, turnpike and other transportation notes as well as odd denominations and southern state items. I will proceed.

Enclosed is a check for \$17.50 for your share of the foregoing.

Sincerely,

Dear Mr. Newman:

Since you were here this morning, my maid finally obtained custody of a package which had been delivered next door and that I had been unable to get last night because the people were away. It turns out to be a package from you. I thought you might wonder at my not saying anything about it. Thank you.

Sincerely yours,

B. G. Johnson
